

Policy Options to Attract Investment in Off-Grid Renewable Energy

Client:
Climate Parliament

Location:
Tanzania

Start Date:
August 2014

Completion Date:
March 2015

Key Services:

- ▷ Off-Grid Assessment
- ▷ Policy Recommendations

In 2014, the Climate Parliament hired ASD to provide an assessment of off-grid renewable baseline and policy recommendations for Tanzanian MPs. This project provided detailed options for policies that would stimulate large-scale private investment in rural electrification in Tanzania.

OVERVIEW

For this project, ASD provided recommendations and subsequent actions to relevant stakeholders to implement the policy options. These recommendations on how parliamentarians can implement relevant options through exercising parliamentary oversight, creating and amending legislations, approving and amending government budgets and representing their constituents.
